TRAXINGER

SIMMENTALS

Welcome!

Traxinger Simmental would like to invite you to our Annual Bull Sale, February 8th 2023 at 1:00 pm.

Another year with the ups and downs of Mother Nature and its bull sale season already. We never think how fast time flies by during a blizzard, until the grass is green. Or all of a sudden we're in our upper 60s not 30 anymore. The challenges livestock people go through for a passion (which only they can explain) never ceases to amaze me. Dedication and commitment to a love for what we do. Carry on livestock people; be proud of your profession because you're the best.

This year's offering is similar to other years. There will be 50 bulls for sale, Reds, Blacks and a small set of Bwf. The majority are purebreds, with most of them Homo-Polled and or Homo-blk.

DV Auction will assist us and their support group can be reach at 402-316-5460. If you have any questions please visit with them prior to the sale to familiarize yourself with the process. This does require high speed internet.

Through the 53 years of breeding Simmental cattle there have been numerous people who have given of themselves to make this program work. My entire family has given endlessly of their time. My wife has taken care of the hospitality side of things and always connects with people stopping in to look or visit. My kids Michael, Brittney, Without those 2 to help work cattle I couldn't do it anymore Both have taken time off from very busy full time jobs to help. Yes we have disagreements, but maybe there is a better way than dads. Thank you to my family for letting me live a dream that a young boy had 53 years ago.

Two of my great friends will be helping again this year. Jeff Thomas, (406-581-8859) and Todd Finke, (701-240-7711) with the sale. I trust both of these astute cattlemen to give you an honest evaluation on any particular animal.

We encourage you to view the bulls prior to the sale day February 8th and give us the opportunity to visit one on one and what you're looking for in a herd bull. If you need additional data on any particular bull please contact us. Coffee is on and we do enjoy showing you the cattle.

Remember sale day is Feb 8th 2023 at 1 PM at the farm Houghton SD. Mark your calendar and let us be your host.

We want to thank all those people who have been customers, friends, neighbors or a part of our lives in some form or another. The cattle are the link, BUT the friendship that we have made throughout the years, are the great rewards of doing this. THANK-YOU, we are truly blessed!

TRAXINGER FAMILY

The Traxinger Family, pictured, L to R Jerry, Ryker, Michael, Terri, Mike, Brittney, Rylee and Brandon

At their annual banquet in December, the North Dakota Simmental Association presented Traxinger Simmentals the Pioneer Award

COLOR & POLLED GUIDE

Homozygous Black - All calves will be black if mated to a black or non-dilutor red cow.

Heterozygous Black - If mated to a non-dilutor red cow ½ the calves will be black and ½ will be red.

Homozygous Polled - All calves will be polled.

Heterozygous Polled - If mated to a horned cow ½ of the calves will be polled and ½ will be horned.

Non-Dilutor - If mated to a heterozygous black cow, ½ the calves will be black and ½ will be red. If mated to a homozygous black cow, all calves will be black.

Dilutor - If mated to black cow, you might get a grey calf.

IMPORTANT NOTES:

- Feeding arrangements available.
- Delivery options available.
- All cattle sell under the standard terms and conditions of the American Simmental Association. (Available upon request.) At no time shall Traxinger Simmentals be responsible for more than the purchase price of the animal.
- We will be selling 100% possession and reserve the right to retain 1/3 semen interest on all bulls selling, with the option to collect 100 units for in-herd use only. This will be done at the seller's expense and the buyer's convenience. Please contact me if you have any questions.
- Traxinger Simmentals will not be responsible for any lost or stolen items or liable for any personal injury.
- An Insurance Representative will be available on sale day. We strongly encourage the buyer's to take insurance at least through the first breeding season. Full liability is assumed by the buyer when the gavel falls. Traxinger Simmentals is not responsible for injury or accidental death.
- Complimentary lunch will be served beginning at noon.

An embryo out of our BWF Canadian cow, Bobbi-Joe. We invested in the baldy program so our grandkids knew their cows by the white face. Its amazing how a 5 year old and 2 know their cows at that age. Its great ! K77 is a smaller framed baldy calf.

API	127.3
TI	78.3

Big good calf that is easy to like by looking at him. But to be honest he doesn't like to be crowded or put by himself. Someone in big country would love him but just need to let everyone know his temperament. Homo-Polled / Homo-Blk. Good cow that is gentle with ratios of BW-105 WW-102.
